Recommend for Hire and Offer steps

The Offer Approval Form is equivalent to the previous Eform 1 for new hires recruited and processed through the Recruiting system.

Normally, these steps are reserved for the Position Supervisor, Department Contact and the Search Committee Chair.

There are two distinct steps, Recommend for Hire (updating the Application Profile) and the Offer (submitting the Offer Approval Form).
Step 1. Recommend for Hire

To start the “Recommend for Hire” process, the selected candidate is required (*) to be moved in the “Recommend for Hire” step or bucket.
Move Candidate

Normally, comments are not necessary. Comments will be displayed on the “right comment” of the applicant profile.
Recommend for Hire

The candidate must be in the “Recommend for Hire” status to “unlock” some initial offer details fields.
Step 1. Recommend for Hire and Candidate’s Application Profile

Once in the “Recommend for Hire” status, details of the offer can be added to the candidate’s application profile.

This is part of the candidate’s application, not the offer approval form just yet.

Note, the header still indicates that this screen is still the “Application.”
Recommend for Hire

Enter details on Applicant’s Application Profile.

After all of the details are entered, update the status on the “Candidate Status” at the tope of page, to “Offer.”
“Recommend for Hire” to “Offer”

Scroll to the top of the page and click on the “Save” (with the icon) link.

Immediately, the candidate’s status will be updated to “Offer” and the applicant will be included in the “Offer” bucket.
Step 2. Offer

The candidate must be in the “offer” status to have access to the “Offer Approval” form
Offer

Once in the “Offer” step, the Offer Approval Form for the candidate can be generated for a candidate that was processed through the online connectU recruitment process. This is similar to the Eform 1 process.

If the appointment is made without a search, including an Adjunct Instructor, Post Doctoral Researcher, or temporary-sporadic appointment the e-form 1 should be processed on the myOleMiss e-form 1.

While the candidate is in the “Offer” step, click the “Take Action” link and hover over the “Offer” option on the menu and the “Offer Approval” sub option will display on the left of the menu.
Offer Approval

The first screen will prompt to select an appropriate offer template.

Background Check Status available on the “Right Column” in the Ready to Hire bucket

The right column includes system history information, including the status of the background check.

The background check status is available for the department contact and position supervisor.
