

Medical Certification Form

Medical Leave of Absence, Family and Medical Leave, Donated Leave, Return to Work

Employees must complete the Medical Certification Form when requesting Medical Leave of Absence (LOA), Family and Medical Leave (FML), and/or Donated Leave. The requesting employee must complete Section A. The attending health care provider for the employee or for the employee's immediate family member must complete Sections B, C, and D (as applicable) and sign the bottom of the form. Please refer to the leave information on the University of Mississippi Human Resources Benefits page located at <https://hr.olemiss.edu/benefits/leave/> (definitions are included). **Note: Some health care providers may charge a fee to complete this form.**

Section A: To be completed by the Employee		
Employee Name:	University ID #:	
Family Member's Name (if leave is not for employee):	Relationship to Employee:	
Mailing Address:	Primary Phone #:	
Leave Start Date	Anticipated Leave End Date	
Describe the circumstances for which the leave is being requested.		
Types of leave requested (Check all that apply):		
<input type="checkbox"/> Medical Leave of Absence <input type="checkbox"/> FMLA (Section B) <input type="checkbox"/> Donated Leave (Section C) <input type="checkbox"/> Return to Work Certification (Section D)		
Employee's Signature (or personal representative)	Date	

The following sections must be completed by the employee's attending health care provider or family member's attending health care provider. The provider must be certified as defined by state statute.

Section B: Request for Medical Leave and FMLA (Completed by Certified Medical Care Provider)
Start date of medical condition or effective date of medical certification: _____
Estimated length of medical condition or projected medical certification end date: _____
1. For FMLA Eligibility: Check any of the following that pertain to the employee or the employee's family member:
<input type="checkbox"/> Incapacity of more than three (3) calendar days for the following.
<input type="checkbox"/> Treatment two (2) or more times by a health care provider,
<input type="checkbox"/> Treatment by a health care provider on a least one (1) occasion with prescribed medication,
<input type="checkbox"/> Treatment by a health care provider on a least one (1) occasion resulting in a regimen of treatment (including prescriptions)
<input type="checkbox"/> Pregnancy – any period of incapacity due to pregnancy or for prenatal care
<input type="checkbox"/> Hospital Care – inpatient (i.e. an overnight stay) in a hospital, hospice, or residential medical care facility
<input type="checkbox"/> Intermittent Incapacity / Chronic Conditions requiring at least two (2) treatments per year
<input type="checkbox"/> May cause episodic rather than continuing periods of incapacity (i.e. migraine headaches or diabetes)
<input type="checkbox"/> Permanent / Long term Conditions requiring supervision (i.e. Alzheimer's, severe stroke, terminal illness)
<input type="checkbox"/> Multiple Treatments / Non-chronic Conditions (i.e. physical therapy for severe arthritis)
<input type="checkbox"/> None of the above

Section C: Request for Donated Leave (Completed by Certified Medical Care Provider)

In accordance with State Code and University Policy, faculty and staff employed one-half time or more, for at least twelve (12) months, and who worked at least 1,250 hours during the twelve (12) months immediately preceding their leave of absence may qualify for donated leave for the following reasons:

- Catastrophic injury or illness – a life-threatening injury or illness of an employee or a member of an employee’s immediate family (spouse, parent, stepparent, sibling, child or stepchild) which totally incapacitates the employee from work.
- Chronic illnesses or injuries – an illness or injury of an employee or a member of an employee’s immediate family (spouse, parent, stepparent, sibling, child, or stepchild) such as cancer or major surgery, which result in intermittent absence from work, are long-term in nature, and require long recuperation periods.
- *Note: Conditions that are short-term in nature, including, but not limited to, common illnesses such as influenza and the measles, and common injuries, are not catastrophic.*

Does the employee meet the “Catastrophic Injury or Illness” or “Chronic Illness or Injury” definition as described above?
 Yes No **If yes, please provide the date employee or employee’s immediate family member was first diagnosed with catastrophic/chronic illness or injury: _____

Estimated length of catastrophic illness/injury or projected end date: _____
