Greetings supervisors,

As the University prepares for the [View2022 Compensation System](#), leaders are required to attend a View2022 Supervisor's Training session. You are receiving this message because you are among the leaders who must complete the required training in order to help guide your employees during implementation of View2022.

Learning objectives for View2022 training:

- Understand and explain View2022 overall concepts
- Communicate employee's placement within the View2022 model, including grade and quadrant
- How to respond to questions

[Register](#) today!

- [In-person View2022 Supervisor's Trainings](#) will be held on various days beginning May 16 through June 25.
- **Your attendance is mandatory** at one of these sessions to support the implementation of View2022 within your department.
- Additional sessions and online/virtual options will be provided.

We greatly value your cooperation, commitment, and dedication to leading your employees and ensuring their success.
